General Fare Information

Surcharges

Capital Surcharge

The fares listed in this brochure include a systemwide surcharge of 25 cents per fare. The surcharge is required by law and is dedicated to funding WSF vessel replacement. The 25 cent surcharge is assessed on every ticket issued, whether a oneway or round-trip fare. Multi-ride and monthly passes reflect the total per-ticket price.

Example of how the Capital Surcharge is added:

Central Sound Routes

One-way standard vehicle/driver: 14.75 + 0.25 surcharge = 15.00 total.

Round-trip passenger: \$8.10 + 0.25 surcharge = \$8.35 total.

Multi-ride (20 fares) standard vehicles: \$236.00 + \$5.00 surcharge = \$241.00 total.

Multi-ride (10 fares) passengers: \$64.80 + \$2.50 surcharge = \$67.30 total.

Passenger monthly pass: 103.70 + 4.00 surcharge = 107.70 total.

Fuel Surcharge

A fuel surcharge may be added to the amounts listed in this brochure if and when fuel costs exceed the currently-funded average fuel price. WSF reviews fuel costs on a quarterly basis and applies, removes or adjusts the fuel surcharge. The maximum surcharge amount is 10 percent. WSF is required to notify customers 30 days in advance of any changes to the fuel surcharge.
